A Guide to Confident Marketing

January 2011

**GET READY FOR THE BIGGEST,
CRAZIEST AND BEST JANUARY EVER!**

It's all about a Beautiful, Confident You

1 STRETCHING YOUR MOOLA

The pout is in and Avroy Shlain has got it covered with ColorFull's stunning range of four NEW lip gloss colours in beautiful shades with the strawberry flavour. This means they taste as good as they look. This lip gloss delivers a satiny swipe of yummy colour from pearly cream gloss to megawatt shine and strawberry flavour. And don't forget to choose from three stunning shades of Avroy Shlain ColorFull Lip liners to line and define lips to perfection. These soft wooden pencils glide on easily and when paired with the new lip gloss range create a totally kissable look.
